UNITED STATES DEPARTMENT OF AGRICULTURE  
Bureau of Animal Industry  
Washington, D. C.

State Participation in  
The National Poultry Improvement Plan

March 15, 1938

The States listed on the following pages have signed memorandums of agreement with the Bureau of Animal Industry, U. S. Department of Agriculture, covering the cooperative work of the National Poultry Improvement Plan. The breeding stages and the pullorum-control classes in which one or more members of the industry are participating are indicated for each State. The following key is used to identify the breeding stages and the pullorum-control classes:

Breeding

1. First Breeding Stage - - - - - U. S. Approved
2. Second Breeding Stage - - - - - U. S. Verified
3. Third Breeding Stage - - - - - U. S. Certified
4. Fourth Breeding Stage - - - - - U. S. R. O. P.
5. Fifth Breeding Stage - - - - - U. S. R. O. M.

Pullorum Control

1. First Pullorum-Control Class - - - - - U. S. Pullorum-Tested
2. Second Pullorum-Control Class - - - - - U. S. Pullorum-Passed
3. Third Pullorum-Control Class - - - - - U. S. Pullorum-Clean

A list of members of the industry who are participating in any State may be obtained by writing the contact representative of the official State agency.

State	Contact representative and official State agency	Breeding stages					Pullorum- control classes
